## Script for Girl 15 – 17 Neutrogena Patches

So it's the night before the big prom and everything's going perfect. And all of the sudden, out of nowhere, pops a huge zit! But, not to worry! With new Neutrogena's on the spot acne patches, that zit will be gone in no time. The tiny little micro-scrubbers dig down deep to zap that zit. So now your prom can go back to being perfect, just as it should be.

## Script for Girl 18 – 20 TJ Maxx

I had to go to TJ Maxx. My boyfriend and I just broke up and I needed a little pick me up. So...I found this outfit. Perfect fit, perfect color...Orange...he HATES orange. Besides, it was a great deal...over half off! And if I didn't get it, someone else would have gotten it because it was the only one left! The thought of some stranger walking around in my clothes kind of *weirds* me out. Plus, I hadn't done laundry in a month, so I literally had to buy it. Thanks TJ Maxx!

## Script for Boy 15 - 17 Hershey's Kisses

Okay, I admit it, I can't stop giving kisses. I know I'm only (age), but I just can't resist. They're SO delicious and I can't keep them to myself. I give kisses at school, I give kisses at the mall, I give kisses on my back porch, I even tried to sneak a kiss at church last Sunday, but my dad had a total cow. Hershey's kisses. The kiss you can't stop giving. Want one?
